Dear Michelle:	
Our team has be	en working to complete the updates to the EVS model of the TCE impacts to soil at the Washington plant for OU3. I just had a meeting with Luis and Roy (Ro Timo) at the Washington plant today.
We propose a ca	Il to review the results of the EVS modeling and to discuss the next steps for OU3 in a call on either:
* Thu PM (Ju	The state of the s
* Fri AM or F	
Di	
Please let me kn	ow what time may work for USEPA and the USACE representatives and we will seup a WebEx cull. We will plan to transmit materials for review in advance of this call next week to support our discussion.
Sincerely,	
Bruce
